Description

Seni is famous throughout Europe for selling disposable briefs for adults. The Seni Quatro Brief may be its best product yet. It can hold up to 86 ounces, or six full bladder losses, and it absorbs waste quickly so your skin stays nice and dry.

But while this is one of the most absorbent briefs on the market, it also quite soft. Its waterproof, cloth-like covering will not bother your skin. These briefs also do not sag or stretch like other similar products do.

Features:

- Available in small (22-31-inch waists), medium (30-43-inch waists), regular (40-50-inch waists), large (45-59-inch waists) and extra large (55-67-inch waists)
